

How corporate clients have experienced our services.

Excellent, Thought it was very effective and in such a short period of time. Definitely think something like this should be available in the firm.

Simply rejuvenating! This is an absolute must, especially in the light of the excess stress and tension that creeps in your body and is so difficult to expunge. Daniel was excellent! Hard and firm at time, mild and supple at others. A perfect balance of force and relaxation.

Amazing what can be achieved in such a short space of time! Feel great – all tension gone, relaxed but also energized – would be very interested in seeing this service available on a regular basis.

A floating delight. Stress totally and utterly gone – feel more relaxed then I've done in week's...months. And invigorated too. And this achievable in only 15 min. Just think how much more productive staff would be if we had them on-site, when can they move in?

I.B.

An amazing massage, extremely effective, stress free now. Would be great to have this here.

S.K.

Excellent therapy, which I find very relaxing and refreshing. Would be great to have this more regularly, and the queues prove the point.

Should without doubt be incorporated in the wellness program, even if we have to pay a proportion ourselves. Completely relaxing/refreshing. Helps you to go back & concentrate.

I highly recommend this for all employees, especially traders & sales. I believe once individuals got past the “uncomfortable” feeling they may have that they would look forward to knowing a massage was available to them. Paying a fee would be reasonable and not a problem. Great stress reliever.

Excellent! Thank you!

Fantastic! Stressed workers need to relax and this will assist. Relaxed workers are more productive!

M.C.

Really wonderful, I trained as a massage therapist so I know the benefits of massage in the workplace. So lets have it here all the time, I would gladly pay!

J.B.

Best part of the day. There should be an option to do this as part of everyday well-being. Thanks.

O.S.

That was great! Would be very interested in using this service again (incl charges).

R.K.

Great, quick release of tension. Would be great if we had someone to do this in the building. It would be easier to leave the desk when it's only for 15 mins.

Fantastic experience, wonderful relaxing and releasing break from work – didn't take too much time to maximise effect. Would definitely make use of it if available.

H.G.

Brilliant, relaxing – got rid of all stress. Brilliant for if you are stressed but limited for time, an altogether wonderful experience.

L.B.

Great way to relax, brilliant. I would be interested in having a massage more often. The great thing about it is that it doesn't take much of your time.

B.A.

Very, very enjoyable. My body will be thanking me for this! If it was available more regularly I'd be interested in attending.

M.E.

Wonderful, 5 min massage break during the day will refresh more than a long break.

So great! I hope you can come back soon. I've had massages before but this was something else. Let's get them up on the floor.

S.H.

This is great, such a refreshing break during the day – back to work with more energy! Please can we make this a regular thing here?
